

Dear Parents and Families,

March 28, 2016

Monday (April 4th) is our next field trip! We are visiting the majestic Crater Lake National Park. In addition to the awe-inspiring winter views, we will be studying plant and animal winter adaptations. Students will participate in a short ranger-guided snowshoe hike and ranger-guided group activities.

We leave the school at 8:00 am sharp. Please have your child to school on time (I suggest arriving at 7:40 and coming down to class early). Students will also need snacks, water, and a lunch. Electronics are ok, and will be left on the bus.

We return between 5 and 5:15 pm, so please make arrangements to have your child picked up at this time. It is still very much winter at the lake. Please dress your child prepared for cold temperatures and snow. Cost for this trip is \$4.00 per student for the bus.

Please fill out the bottom portion of this letter and return.

Thank you,
Mr. Lewis
