Dear Emilee!

I am fine here and wish you are also fine there. It is mild in my region, its neither cold nor hot for all time. My favourite holiday is of Dashain Tihar holiday in which we celebrate with full of joy and entertainment. Our family is full of joy and love. My father and brother, all love me equally. I always obey my parents what they order or suggest me. Today, I am very happy to read your letter. I have a ~~big~~ big dream of becoming radiologist. My family have big hope and believe in me that I am going to be one of the best person in world. What do you want to be in your future? I ~~was~~ wish your mom would be successful in getting house. I am very happily here for being with my family. Are you also happy there? Who is living with you?

I like to stop my pen here and waiting for your next letter. Bye!

with love
Rina Malla
